

Hein Memorial Scholarship Scramble

Benefiting Fine Arts of Tomahawk School District

Join the Hein Family for the **29th Annual** Hein Memorial Scholarship Scramble! The reformatted event will not only benefit a 2018 Tomahawk High School Graduate entering in to the medical, communications or engineering fields and/or attending UW Stevens Point or UW Madison; but will also raise funds for the Fine Arts Programs of the Tomahawk School District.

The Fine Arts Programs consist of the Art, Band, Choir & Drama Departments. They are important in education because they inspire creativity, improve academic performance, hone motor skills, build confidence, encourage visual learning, strengthen problem solving/critical thinking skills, instill perseverance, increase focus, facilitate collaboration and advance accountability.

So come on out for a fun & competitive scramble and support education through the Fine Arts!!!

Sunday, May 27th, 2018
